Demystifying the Debt Ceiling

In recent months, you may have seen news that the United States is close to hitting the debt limit and that the country could run out of money by June 1, 2023. What happens if the debt ceiling is reached? How does this impact investors? [LEARN MORE >>](#)

Fun Fact in Honor of Our 110 Year Anniversary

Six men with ties to banking started La Crosse Trust Company, now Trust Point, on June 30th, 1913 located on 311 Main Street in La Crosse, Wisconsin. There was one financial advisor, one accountant, 12 cloth bound ledgers, and \$50,000 in capital. [Read more history facts >>](#)
