

# 3 Ways to a Better 401(k) Plan

Attract & retain employees with a strong retirement package.

A strong retirement package is essential for attracting and retaining quality employees today. Our in-house team can help design and manage a comprehensive, turnkey 401(k) retirement plan benefiting you and your employees.

We understand that no two companies are exactly the same. Trust Point is here to listen to your needs, develop and implement a plan and provide you with worry-free management.

## SAVE SOME TIME

# 1

Our all-inclusive retirement solution allows you to focus on your business and not have to juggle multiple vendor relationships. Trust Point accepts the highest level of fiduciary responsibility and serves as discretionary trustee for the plan. From design, record-keeping, investments, and ongoing administration, our experienced staff delves into the details so you don't have to.

## UNDERSTAND FEES

# 2

Fees are 100% transparent and 100% disclosed. Trust Point does not collect commissions from or share revenue with any investment that we utilize or recommend for our clients. We even put it in writing so you can feel confident in knowing exactly what the plan fees are.

## EDUCATE EMPLOYEES

# 3

It's essential that your employees understand their plan and how to use it to best maximize their retirement dollars. Trust Point's education is customized for your business to increase participation and help employees appreciate the plan benefits. Our proven approach results in employees feeling more secure about their financial future.
