

Your retirement plan account is available online and through the GoRetire mobile app! Log in today to access your account anytime, anywhere.

Accessing Your Account

You now have anytime access to the tools you need to manage your retirement. Follow the steps below for quick and easy access to your retirement account:

1. Navigate to www.go-retire.com/trustpoint.
2. Enter your Username and Password. If this is your first time logging in, your default Username is your Social Security number and your default Password is your date of birth in MMDDYYYY format. Do not use spaces or dashes in either.
3. Click Login.
4. Follow the prompts to register your account by creating your own unique Username and Password. First time users may then be taken directly to the Online Enrollment wizard, which will guide you step-by-step through choosing your contribution amount, selecting your investment elections, and designating your beneficiaries.

Quarterly Account Statements

At the end of each quarter, a full account statement is generated and made available online. You will receive an email notification when your statement is available.

Follow these steps to access your statement:

1. Log in to your retirement account at www.go-retire.com/trustpoint.
2. Select "Account Info" from the top menu bar.
3. Select the statement you wish to view in the "Quarterly Statements" widget, or generate a custom statement in the "Custom Statements" widget.

Paper copies of your statements are available upon request. Contact the Participant Service Center at (800) 716-3742 to have statements mailed to you.

Get the App!

The free GoRetire app is available for iOS and Android devices. Scan the QR codes below to download the app today!
